

Disclaimer

Please ensure you read and understand the following information prior to completing the medical assessment. The consultation should not take longer than 3-5 minutes to complete.

It is important that you answer all the questions correctly and honestly to allow the Pharma Health clinical team to assess your needs and ensure the treatment is safe and effective for you.

The information you provide us is treated with the utmost confidentiality & will be reviewed by a UK registered pharmacist prescriber. The questions listed in this medical assessment will help provide the pharmacist prescriber with an appropriate level of information to make an informed decision on whether the treatment is suitable for your condition.
